Dil

The unconditional and irrevocable love we share for KGP is brought out in the obsession with Hall sento, wing sento, Department sento and society sento. You can take a KGPIan out of KGP but you cannot take KGP out of a KGPIan. The *dil* and the soul stayed back as the mind wandered from job to family and back. It's time to reunite with your true self, the carefree times that were left behind amidst the rich greenery of our wonderland – Kharagpur.

Dosti

Nothing drives nostalgia the way friendship does. After all, it is not the pebbles that remind us of the journey, it's the people we threw those pebbles at who make the trail unforgettable. Bathe in the surreal reincarnation of the impeccable past as your buddies from around the world join you in your ride to the past.

Etc

KGP life is a potpourri of numerous activities. And these become the most remembered memories of our lives. So, let's embark on a beautiful journey of *dil*, *dosti*, etc. and relive the good old golden days.

12th Annual Alumni Meet

■ Highlights of the last Meet

The 11th Annual Alumni Meet was organised from 17th-19th January, 2014 in the campus in which the Golden Jubilee batch of 1964, Ruby Jubilee batch of 1974 and Silver Jubilee batch of 1989 were special guests of honor.

■ Campus Tour and Department Visits

The alumni will be taken around the campus and updated about the recent infrastructural developments that have taken place in the Institute. They will also visit their respective departments and interact with the professors and students sharing their experiences.

■ Hall Visits

Perhaps this is the most nostalgic event of the Meet. The alumni are at a loss to express the ecstasy and emotions that well up within them when they pay a visit to their hallowed Halls of Residence.

■ Musical Night

An hour long musical production by music societies of IIT KGP enjoyed by both alumni and students. It is delightful to see many of our beloved alumni turning up on stage to showcase their musical talents.

■ Your gift will be a living memorial of your bond – IIT KGP Endowment

The Annual Alumni Meet is an excellent opportunity where batches together contribute generously under 'Founding Batch of Endowment Campaign'. A classroom in the newly built Nalanda Complex will be named after the batch specially recognizing its members and batch leader with all the donor names displayed at the entrance. This is a unique opportunity to leave behind your legacy. The 1991 Batch has got their class room and 1970, 68, 75, 84 will be unveiling theirs.

Government Funds are generally for infrastructural growth. Hence to further research on nascent technologies, hiring and retaining talent would require going beyond Government funds. Thus the IIT KGP Endowment Fund will fill the gap and help fulfil the critical needs of our Institute's growth.

Each and every contribution means so much to the Institute as it reflects the pride and respect we feel towards our IITKGP family and future aspirants.

Contributions to "Batch Endowment" is 100% tax exempted.

Yearnings Of Yore

"Yearnings of Yore" is an Annual Alumni literary magazine which is distributed as a Meet souvenir to all the alumni attending the Meet.

This magazine reaches out to our alumni, keeping them connected to their beloved Institute. This magazine is not only a harbinger of the classic memories from your rollercoaster KGP life but also a scintillating collection of culminating artwork and photography of the campus. Articles written by the alumni as a saga to commemorate the time of their lives, mention of long lost friends, adventurous ordeals and what not!

We welcome write ups that highlight the essence of IIT Kharagpur, something that could bring out the glorious past of this campus from antiquity. Poems, articles about national issues, even concise accounts of your own epiphanies are invited. To contribute please send your write ups to aao@hijli.iitkgp.ernet.in.
